Briefly summarize the investigation describing your efforts to prove or disprove the allegation(s). Indicate whether witnesses or evidence support or do not support the allegation(s).

In sustained cases ONLY, copies of the accused member's Summary of Previous Disciplinary Actions and Record of Previous Complimentary History will be included as attachments.

R/Sgt. interviewed the complainant [REDACTED] (att. 14), who stated he was pulled over by the Officers because his Illinois License plates did not match the vehicle he was driving. [REDACTED] related that the plates were taken from another vehicle due to an accident with the other vehicle. [REDACTED] related that he was able to produce ownership papers that proved that the vehicle he was driving belonged to his father. [REDACTED] related that after he produced the registration papers he was released after a routine name check was done.

[REDACTED] related that at first he was upset during the traffic stop and had to be calmed down by the Officers. [REDACTED] related that the Officers treated him well during the stop and released him and the vehicle with no citations issued.

[REDACTED] related that the Officers searched his vehicle and removed an FOP medallion. R/Sgt. was shown that [REDACTED] still had the FOP medallion in his possession. In addition R/Sgt. inspected the vehicle and found no permanent damage to the vehicle.

[REDACTED] related that there were no witnesses to this incident.

The Officers related in their To/From Subject reports (att. 9, 13), that they did not remove any FOP medallion or search the vehicle. The Officers also related that there were no additional witnesses.

Due to the absence of any independent witness to this incident the R/Sgt. is not able to either disprove or prove the allegations against the Officers.

R/Sgt. is therefore unable to prove the allegations contained in the Complaint against Dept. Members, and requests that this complaint be classified as NOT SUSTAINED.
